

Club 56 Winter Refresh 2021 Schedule

Our time together is designed with plenty of time for fellowship, but also some chunks of time for some Devotional Sessions where we will all be together in Cornerstone Commons. The theme for the Refresh is “Who Am I?” We will explore who we are in our own eyes, in the eyes of others, and in God’s eyes.

Note that students should bring a mask to wear, a water bottle, and a Bible. If needed, Bibles will be provided. In addition, each student will be provided with a Journal for use during Journal Time.
